Designed
For Safety
& Comfort

WHAT WE DO

Perseverance, a passion for excellence and a firm commitment to deliver the best. We introduce ourselves as one of the leading manufacturer & exporters of highly precision Automotive Clutches & Brakes.

We are situated in New Delhi, India. We cater to all the needs of Automotive, Tractor, Earthmoving industry. With an experience of more than 50 yrs. in the industry, we have promoted our range of products under the brand name of RADO.

We being an exporter, are the member of The Federation of Indian Export Organization (FIEO) which represents the Indian entrepreneur's spirit of enterprise in the global market.

INCEPTION OF THE COMPANY

Our parent company M/s Bajaj Motor Co. was established in the year 1972. Since then, there is no looking back.

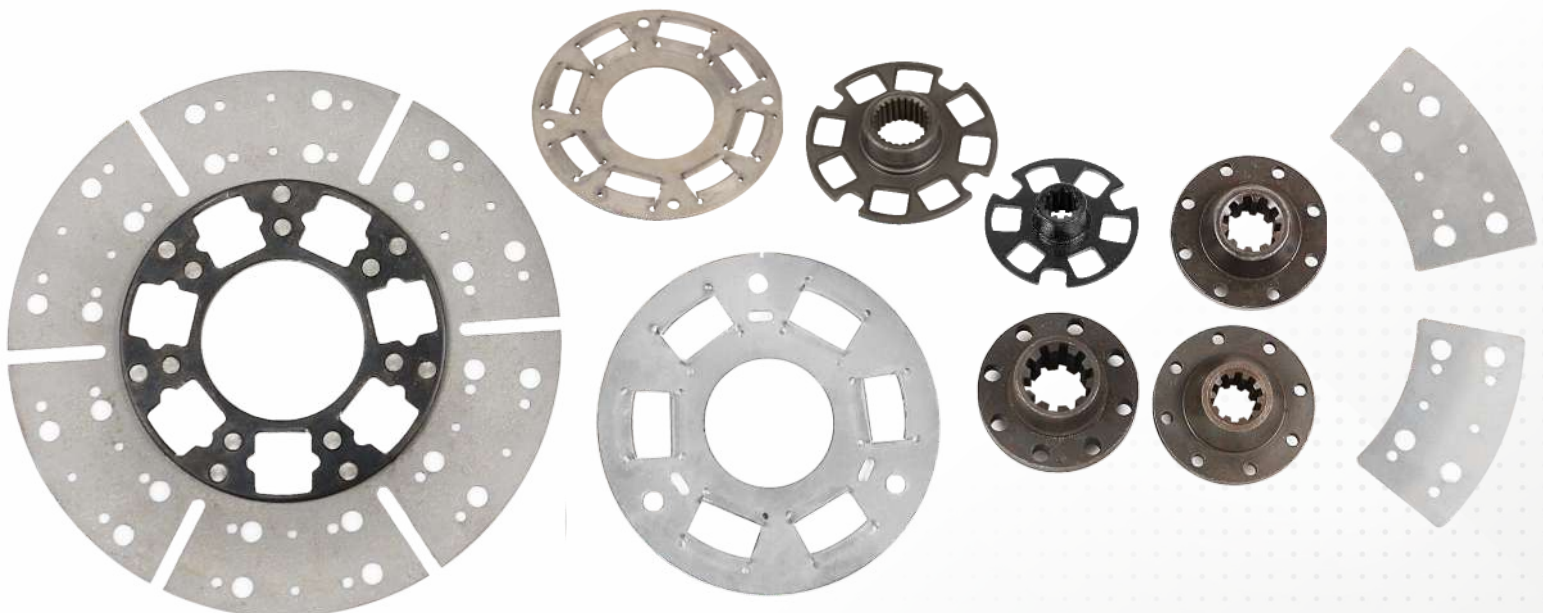

Our sister concern M/s Bajaj Export Corporation, being an overseas player, looks after the export market. The export company started its journey in 2005 and has come a long way in cementing a stronghold with exports in the international market.

OUR VISION

Our mission is to serve automotive industry by providing dimensionally accurate, eco-friendly quality value for money products.

WHAT WE OFFER

One of the leading manufacturer of friction materials. We produce Clutch Disc, Clutch Facing, Clutch Cover Assy., Clutch Lever kits, Brake Plates, Brake lining, Brake Roll lining, Brake Disc Pads, Teeth Lining etc for the Automotive, Tractor & Earthmoving Industries.
